

N. L. Meena, I.A.S.

Commissioner
Department of Science & Technology
Government of Rajasthan

DO Letter No: F.22(1)DST/EDP/
2017/4223
Dated: 14 February, 2018

Subject: Information and support for students of science back ground from Government Colleges to work at Institutes of Eminence under KARYA programme of Department of Science & Technology, Government of Rajasthan.

Respected Sir,

Department of Science & Technology, Government of Rajasthan will be facilitating Under Graduate and Post Graduate students of State Government Universities and State Government Colleges of Rajasthan to take up short term projects based problems in Basic Sciences through a programme KARYA (Knowledge Augmentation through Research in Young Aspirants) at premier Institutions of DAE, CSIR, DBT, IIT's etc. The objective of KARYA is to support students of Rajasthan State to acquaint themselves with advance research based problems in Basic Sciences at Institutes of Eminence. Department of Science & Technology, Government of Rajasthan will provide fellowship to eligible students for a period of eight weeks during summer vacations May-June 2018, and also take care of their TA.

I request you to instruct website officer of University to upload the advertisement, application, eligibility criteria (copy encl.) so that it may be circulated among students, by the Heads of Department, Principals of Affiliated Colleges.

Your cooperation will be of great help for deserving students of Rajasthan State for availing the opportunity to work on short term projects at Institutes of Eminence. At DST Rajasthan, Dr Manu Sikarwar, Project Director (drmanu.pd.dst.raj@gmail.com, +91-9602021344) is the nodal officer and looking after the execution of this programme KARYA.

I look forward for an early and positive reply.

Enclosed : As above:

"with regards"

N.L. Meena

KARYA

(Knowledge Augmentation through Research in Young Aspirants)

Last Date of Application: 05/03/2018

Introduction

Globally advancement in Basic Sciences are happening at a very fast pace, and new areas are also emerging like Nanotechnology, Biotechnology, Computational Science, Mathematical Modeling, Cognitive Science etc. To provide exposure to these advance areas in Basic Sciences and to work on new problems with the help of latest instruments and expertise available at Institutes of Eminence, a new programme "Knowledge Augmentation through Research in Young Aspirants (KARYA)" has been initiated by Department of Science & Technology, Government of Rajasthan.

Under KARYA programme students from Basic Sciences (Physics, Chemistry, Mathematics, Life Sciences) studying in **State Government Institutions only** (State Government Universities, Government Colleges) will be provided an opportunity to work on short-term projects at Institutes of Eminence (DAE's, DBT's, IIT's, CSIR's, DST's, UGC, MHRD and others) for eight weeks during summer vacations. The selected students will be provided fellowship for meeting out expenses during eight week and T.A. (to and fro).

Eligibility criteria

Student applicants from **State Government Institutions only** (State Govt. Universities, State Govt. Colleges) should be studying in one of the following:

- BS / BSc (II and III years only)
- MS / MSc (I year only)
- (5-year integrated) MS / MSc (II, III, IV years only)
- (dual degree) BS + MS (II, III, IV years only)

Selection Criterion

Academic Record

Plan of Work

Availability of position (seat) at Institute

Selection Procedure

Complete application with all desired documents, annexures has to be submitted before last date to Commissioner, Department of Science & Technology, 506, IVth Floor, Mini Secretariat, Banipark, Jaipur 302016, Rajasthan by speed post with clearly marked on envelope "KARYA Programme, DST Rajasthan". After receiving the complete application, a technical committee will evaluate the application as per the selection criterion. Last Date of Application: 05/03/2018.

Allocation of Institute

Technical Committee Experts recommendation as per the plan of work submitted by applicant will be the basis of allocation as per the availability of the positions (seat) at respective Institutes of Eminence. Once the institute is allocated, no request will be considered for change of institution.

Selected student has to follow allocated institutions rules, guidelines and discipline. Any kind of violation of rules will provide the rights for immediate withdrawal of the KARYA programme opportunity.

Duration of work

Eight Weeks during May-June 2018

Release of fellowship

After receiving report (at DST Rajasthan) of first four week verified by the supervisor/guide from the Institute of Eminence, first installment of fellowship will be released to Student Account. After completion of fellowship period successfully and submission of final report verified by supervisor/guide, TA and second installment will be released to Student Account and a certificate from DST Rajasthan will also be issued to the Student.

If any student leaves this KARYA programme in between the duration of eight week period without the consent of supervisor/guide and DST Rajasthan, he/she will not be entitled for fellowship and fellowship will not be released.
